

# TRADEWINDS

*To perpetuate the memory of our shipmates who gave their lives while voluntarily serving in submarine warfare in the pursuit of their duties while serving their country. That their dedication, deeds and supreme sacrifice be a constant source of motivation toward greater accomplishments. To further promote and keep alive the spirit and unity that existed among submarine crewmen during World War II. To promote sociability, general welfare and good fellowship among our members. To pledge loyalty and patriotism to the United States of America and its constitution.*
