Dear Sandy

I felt privileged to attend the dedication of the commemorative blue plaque at 15 Cathedral Close, in recognition of the heroic deeds of Lieutenant Richard Sandford VC last weekend.

The dedication ceremony was conducted with great dignity and was a fitting tribute to a marvellous man.

I was particularly fortunate to meet Phillipa and Piers Langdon (relatives of Lieutenant Sandford) who lived at Musbury Farm, Musbury, immediately prior to my wife and myself taking residence there 23 years ago! What a coincidence!

Yours sincerely
